

ClinTrial Refer V2 development update!

We are now in the midst of working with our developer on the new app. A large percentage of the backend has been completed! New affiliations for sites is a very exciting feature that we are looking forward to. Some eye candy for you below. We are currently working on various ways to migrate location data to the new platform, please contact [Rolland](#) if you have any suggestions.

ClinTrial Refer at Bio Connections Australia!

BIO CONNECTIONS
A U S T R A L I A | 13-14 November 2018
Pullman on the Park
MELBOURNE
Optimising Clinical Trials • Commercialising Great Science • Partnering for Growth

A promotional graphic for Bio Connections Australia. It features a background of laboratory glassware. In the center is a hexagonal portrait of Roslyn Ristuccia, Co-Founder & CEO of ClinTrial Refer. To the left of the portrait, the text reads 'Insights from ROSLYN RISTUCCIA CO-FOUNDER & CEO CLINTRIAL REFER'. To the right, a dark blue hexagon contains the text 'SPECIAL RATE FOR ACADEMIA & NON-PROFITS SAVE \$1000!'. At the bottom, a dark blue banner with a yellow arrow points to the text 'REGISTER NOW'.

Bio Connections is a brand new event designed to foster the growth of early phase clinical research in Australia. As a unique platform for networking and discussion, the conference will explore drug development, early phase clinical trials, translational research and expediting Australia's great science into commercialisation.

Join ClinTrial Refer at Bio Connections. Roslyn Ristuccia will be on a panel discussing "Increasing Clinical Trial Awareness & Recruitment in Australia." This panel discussion will be on day 1 at 2pm. Come and say hello if you are attending the event.

World Hospital Congress 2018

ClinTrial Refer has been chosen to present in a special section within the Health Horizon Innovation Alley at the World Hospital Congress! Come and say hello to us if you are attending the event.

ClinTrial Refer is a template for any Clinical Trial Portfolio. For information on this project, or how to license your own app contact :

Roslyn Ristuccia (SESLHD) A/Prof Judith Trotman (SLHD). Feedback on this newsletter or want to contribute:?
